

CM Dashboard Cell
Government of Assam

Terms of Reference (ToR)
For Data Analyst (Individual Consultant) to be positioned in the Delivery Unit (DU) of CM Dashboard Cell
BACKGROUND AND OBJECTIVES

The Government of Assam (GoA) through Government of India (GoI) has received a loan from the World Bank (IBRD: International Bank for Re-construction and Development) for the Assam Agribusiness and Rural Transformation Project (APART). A sub-component of the APART project under project Management, Monitoring & Learning would support provisioning of technical assistance to the Office of the Chief Minister for monitoring the progress and performance of development programs including Externally Aided Projects. Part of this TA support will be towards establishment of CM Dashboard Cell, as a standalone unit of CMO and in linewith the Delivery Unit architecture, which has been attempted across governments within and outside of India with intent to enable data driven decision making in the government. The objective of the CM Dashboard Cell is to pioneer data driven governance by way of enabling real-time monitoring & performance assessment towards tackling pressing implementation challenges and achieving effective outcomes on high priority initiatives of the Government. The CM Dashboard Cell will also concentrate on improving data quality and providing need-based input for programmatic and policy interventions / correction; and will work towards strengthening the link between the center of government and citizen centric outcomes. The Assam Rural Infrastructure and Agricultural Services (ARIAS) Society, an autonomous body of the Govt. of Assam, is the apex coordinating and monitoring agency for the Project. ARIAS Society now intends to hire **Data Analysts** (hereinafter referred as **DA**) as an Individual Consultant out of the loan proceeds, to be positioned in the Delivery Unit (DU) of the CM Dashboard Cell, as per the terms given hereunder.

Towards achieving these objective, the CM Dashboard Cell will: **(i)** contribute to the development of Transformational Roadmap of the Government which enhances public service delivery ensuring the top- priorities of the Government; **(ii)** track and highlight the progress on strategic reform initiatives through a KeyResults Area Framework **(iii)** analyze KPI trends to identify the gaps and bottlenecks hindering performance for targeted interventions, and subsequently build models for early warning alerts; **(iv)** Recommend plausible policy/programmatic options to help resolve identified bottlenecks / anticipated challenges to facilitate high- impact outcome; and **(v)** help build the underlying capabilities and processes across departments to ensure sustainability of the initiative.
