**Draft Indicative Terms of Reference (ToR) for District Social Sector Coordinator (DSSC) under project
APART**

A. BACKGROUND AND OBJECTIVES OF THE PROJECT

1. The Government of Assam (GoA) through Government of India (GoI) has received a loan from the World Bank for the Assam Agribusiness and Rural Transformation Project (APART). Assam Rural Infrastructure and Agricultural Services (ARIAS) Society is the apex coordinating and monitoring agency at State level for the project. ARIAS Society now intends to apply a portion of this loan for engagement of **3 nos. of District Social Sector Coordinators (DSSCs)** on contractual basis to be positioned at Agriculture Technology Management Agency (ATMA)/OPIUs.
2. The development objective of APART is to “add value and improve resilience of selected agriculture value chains, focusing on smallholder farmers and agro-entrepreneurs in targeted districts of Assam”.
3. There are four components to the project: **The first component is Enabling Agri Enterprise Development**, with sub components being (i) enhancing state capacity to attract private investments, (ii) setting up Enterprise Development and Promotion Facility (EDPF) (iii) Agribusiness Investment Fund (AIF) support (iv) establishing Stewardship Councils. **The second component is Facilitating Agro Cluster Development** with sub-components being- (i) support establishment of cluster level Industry Association (IA), (ii) supply chain support. **The third component is Fostering Market Led Production and Resilience Enhancement** with sub components being (i) promoting climate resilient technologies and their adoption (ii) Facilitating market linkages through market intelligence and product aggregation (iii) Facilitating access to and responsible use of financial services. **The fourth component is Project Management, Monitoring and Learning.**
4. The project will achieve the PDO by: (i) enabling investments in agri-enterprises, improving the investment environment and investment promotion, and facilitating access to finance for agribusiness enterprise; (ii) facilitating the growth of agri-enterprise clusters to increase competitiveness, revenue and employment growth, and supporting development of a modern supply chain; and (iii) fostering the development of climate resilient production clusters, and improving producer access to knowledge, technologies, markets, and infrastructure so that they are able to respond to market opportunities and climate variability.
